Registration for 2025 World Masters Games Taipei remains open until 17 February 2025

Taipei 2025: Registrations for Swimming reopened

With swimming registration reaching capacity in record time, the organisers looked into creating additional slots. Adding the slots involved some planning to ensure fairness, safety, and the highest standard of competition. We thank you for your understanding and patience these past weeks.

Now interested athletes can register for these additional swimming slots. This reopening gives the opportunity for all swimming enthusiasts to compete and connect with like-minded individuals, while enjoying the cultural diversity and beautiful venues Taiwan has to offer.

Don't wait any longer !
